Product Description

3W RGB Low Voltage LED Spotlight With Remote Control

Product Description:

Indoor LED Spotlights are perfect for lighting up any indoor space. Featuring a luminous flux of 280LM, a beam angle of 120°, and an incredibly long lifespan, these spotlamps are energy-efficient, cost-effective, and will last for years to come. The light source is LED, making them an ideal choice for saving energy while still emitting a bright and even light. The material used is PC, ensuring durability and excellent heat dissipation. With their stylish design and superior performance, these Indoor LED Spotbulbs will make any room look more inviting and attractive.
