Support lighting DIY

Support and Services:

Indoor LED Spotlights offer technical support and services to ensure the best customer experience. Our customer service team is available 24/7 to provide assistance with any issues or questions you may have. We also offer online tutorials to help you get the most out of your product. Additionally, we provide warranty coverage for any defects or malfunctions that may occur with your Indoor LED Spotlights.

Packing and Shipping:

Packaging and Shipping of Indoor LED Spotlights

Indoor LED Spotlights are packaged and shipped in a box made of durable cardboard with a plastic handle. The box is designed to protect the light fixtures and the accessories from any potential damages during the transit. The box also has a layer of bubble wrap inside to cushion the fixtures and accessories.

The box is also sealed with an adhesive tape for extra security. The shipping label includes the customer's address, a tracking number, and a barcode.
