Product Description

180° Beam Angle and 12v Waterproof LED Floodlight with 4.92*3.85*4.92inch

Product Description:

This Waterproof LED Flood Light is an ideal choice for waterproof floodlighting lamp. It is made of ABS housing and glass cover, which ensures durability and reliability. With 180° beam angle and IP65 rating, this waterproof lighting lamp can provide excellent illumination, making it a perfect solution for outdoor lighting. The 15W/30W power consumption and 390g weight make it both energy-efficient and easy to carry. With its waterproof function, it is ideal for both indoor and outdoor lighting applications.
