Basic Information

- Place of Origin: Shenzhen. China
- Brand Name: NCJ TECH
- Certification: CE
- Model Number: NUW01
- Minimum Order Quantity: 100
- Price: Negotiation
- Packaging Details: White box + Outer box (K=A)
- Delivery Time: 1: Sample and small order: Within 7 working days after receiving your payment. 2: Bulk order: 3-4 weeks after receiving your deposit.
- Payment Terms: T/T, Paypal
- Supply Ability: 10000pcs per month

Product Specification

- Material: ABS
- Color Temperature: 6500K
- Power Consumption: 5W
- Input Voltage: 12V
- IP Rating: IP65
- Beam Angle: 45°
- Luminous Flux: 900LM
- Certificate: CE, RoHS
- Highlight: Poolside LED Underwater Lights, LED Underwater Lights Dustproof, LED Underwater Lamp 900LM

Product Description

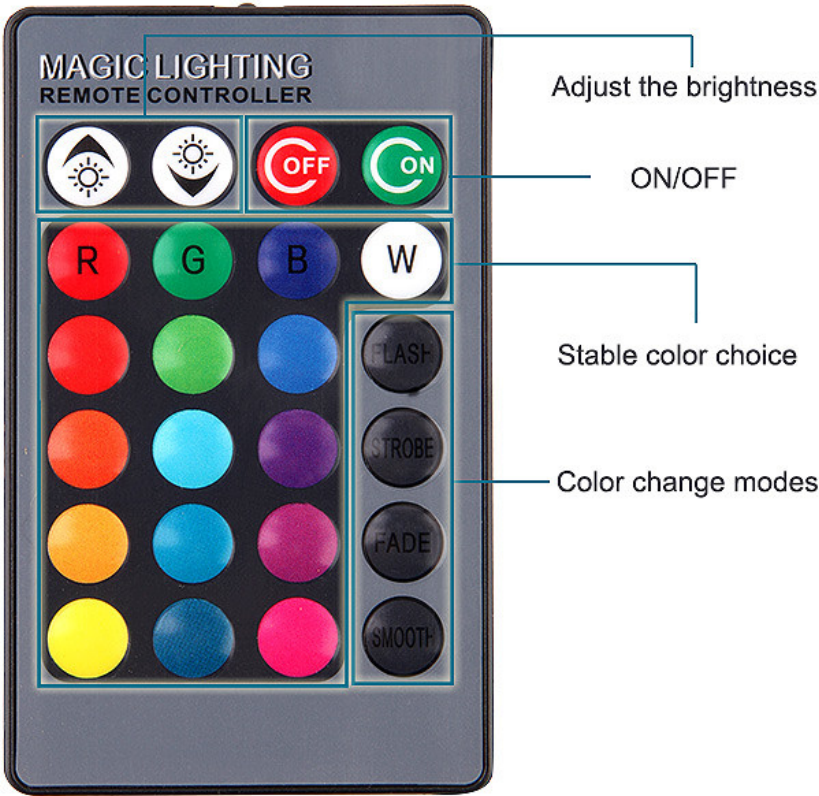

12V Input Voltage LED Underwater Lights Lamp Color Temperature 6500K with CE Certificate

Product Description:

LED Underwater Lights are perfect for adding a touch of elegance and sophistication to your poolside. These aquatic LED lights have CE and RoHS certification, meaning they are safe to use in a pool or spa. Rated IP65, these poolside LED lights are water-resistant and dust-proof, and they come with an input voltage of 12V, making them suitable for both indoor and outdoor purposes. Made with high-quality ABS material, these lights provide a uniform beam angle of 45°, allowing your poolside to be illuminated in a beautiful manner.

Technical Parameters:

Support lighting DIY

Applications:

Support and Services:

We offer technical support and services for our LED Underwater Lights. Our team of experienced engineers help customers troubleshoot any technical questions or issues they may have. We provide free software updates to ensure the product is up to date and running optimally. We also provide replacement parts and extended warranty services, which are available for an additional fee.

Packing and Shipping:

Packaging and Shipping

LED Underwater Lights are packaged in cardboard boxes with an internal protective foam lining. The boxes are designed to protect the lights while also being lightweight and cost-effective. The lights are then secured with bubble wrap and packed in a larger box for shipping.

LED Underwater Lights are shipped via standard ground freight. Delivery times may vary depending on the destination, but most orders should arrive within 3-7 business days.
